This new and magnificent hotel was opened to the public May 1st. It is the most thoroughly equipped and best furnished house on the Pacific Coast. Two hundred and seventy-five rooms, complete with every convenience: fire place, hot and cold water, incandescent lights, electric call and return system. Situated in the center of a twenty-acre tract, under high cultivation, two hundred feet back from the ocean bluff. Are lights on the grounds. Finest surf bathing in America. The house has a fine Otis elevator and by far the handsomest music and dancing hall in California. The dining room is a perfect gem of artistic perfection, superbly furnished and so arranged that every seat commands a view of the ocean. There is a gallery at one end, where a fine band plays for the evening dances; also playing on the veranda in the morning, in the music and dancing room at night. Morning geraniums will be a feature of the house. The cuisine will also be a prominent factor. The house and surroundings are simply perfection—new, sweet and clean—and must be seen to be appreciated. The Atchison, Topeka and Santa Fe runs six trains daily from Los Angeles. The company own their own railroad, running to Los Angeles, connecting with the Grand Avenue cable system, running twelve finely equipped trains daily each way, landing passengers right back of the hotel. There is a pier, where boats from San Francisco, San Diego and other points make regular landings. Steam and sailing yachts can be had. The fishing is the finest on the coast. There is a bluff and interior drive, commanding a fine view of the ocean, San Gabriel valley, Wilson's Peak, Old Baldy, Sierra Madre range of mountains. Terms same as other first-class houses.
